

At a glance guide to Phokaia Beach Resort, Turkey

Positioned on the west coast of Turkey, this beautiful resort sits within mature gardens on a dazzling bay. The facilities are excellent, with mountain and road cycling in the surrounding hills, tennis, as well as perfect conditions for watersports. This beautiful resort is just on the outskirts of the harbour town of Foça, with its mix of traditional fishing boats and modern sail yachts plus an array of restaurants from where you can enjoy the stunning views overlooking the Mediterranean Sea.

For when you fancy a break from the activities we have on offer, Phokaia Beach Resort boasts an incredible free-form pool, as well as plenty of sun loungers and day beds. The two restaurants and bars showcase spectacular views across the bay- perfect for watching the stunning sunsets as the day draws to a close.

Great for families, your children will be in good hands with our outstanding childcare amenities. We offer a full range of activities, with younger guests enjoying the centre by the central pool with the latest toys and equipment and older children at the waterfront, getting involved in a fun-filled programme of watersports.
